

## **Ballot Title Setting Board**

### **Proposed Initiative 2009-2010 #96<sup>1</sup>**

The title as designated and fixed by the Board is as follows:

An amendment to the Colorado Revised Statutes concerning the ability of cities and counties to demand that they be covered by statutory renewable energy requirements, and, in connection therewith, allowing a city or county to subject its residents to the specified requirements; requiring a utility serving the jurisdiction to submit a resource acquisition plan for the jurisdiction to comply with the specified requirements; and directing the Colorado public utilities commission to approve a separate tariff for the jurisdiction and to regulate the rates of the utility.

The ballot title and submission clause as designated and fixed by the Board is as follows:

Shall there be an amendment to the Colorado Revised Statutes concerning the ability of cities and counties to demand that they be covered by statutory renewable energy requirements, and, in connection therewith, allowing a city or county to subject its residents to the specified requirements; requiring a utility serving the jurisdiction to submit a resource acquisition plan for the jurisdiction to comply with the specified requirements; and directing the Colorado public utilities commission to approve a separate tariff for the jurisdiction and to regulate the rates of the utility?
